- 2 -

- o At the village of Mihail Bravu between Bucharest and Giurgiu a school for political commissars is located. About 600 men are in training and are to be assigned as political commissars throughout the Rumanian Army. Infantry, artillery and light tanks have been observed in this locality regularly.
- 10. All Bucharest factories were recently ordered to put vehicles, especially trucks, in operative condition for possible emergency use by the Government.
- 11. The Bragadiru munitions warehouse explosion in mid-July
  Reportedly this explosion was caused by sabotage.

## 50X1-HUM 50X1-HUM

#### Braila

- 12. Sixteen Soviet military barracks, 120 beds each, have been under construction since in 1949. The barracks are located south of the streetear line from Leoul Sarat to Braila. North of the streetear line in the same area a Soviet underground petroleum, oil and lubricants dump is located. Tanks, guns and trucks are parked 500 meters from the barracks. Tanks have been arriving steadily since July. The tanks are described as of two types: Two large guns or one large and one smaller gun in the turret, one above the other.
- 13. Georgi Dimitrov factory at Braila has finished 30 of 250 gasoline tanks ordered by the Government. The tank dimensions are 3.8 by 4.7 meters.
- 14. Two thousand five hundred Guerrillas (Macedonians) are at work in the 50X1-HUM Braila Shipyards.
- 15. About 12 tanks, each with a single 120 mm. gum, were observed at night at Braila during July. The tread was estimated at 60 centimeters. Thirty machine gums mounted on trucks were seen moving westward at night. There is an influx of Soviet troops, who hold night maneuvers.

#### Tasi

- 16. As early as March, Soviet troops and equipment started through Iasi from Bessarable going west. There were few Soviet troops at Iasi during August. Rumanian troops were training there at the end of July.
- 17. A railroad freight car factory which is located near the Issi railroad station is for Soviet use only.

#### Sulina

- 18. There are 12 barracks at Sulina filled with Rumanian troops, who arrived one year ago.

  400 kilograms of meat daily for these 50X1-HUM troops. No Soviet troops were located there.
- 19. Approximately three loaded Soviet ships per week, pass Sulina from each direction. The depth of the river there is 23 feet.
- 20. Three buildings near the cemetery and beaches are used to store manitions.

  The army warehouse near 23 August Street is filled with flour, sugar and foodstuffs. This army warehouse was formerly known as the Condoguris warehouse.

### Târgoviște

21. A cavalry school is located in Targoviste. No Soviet troops were observed in Targoviste. Rumanian troops were training in Targoviste in July.

#### Feeşani

22. "Many" Soviet troops and Soviets in civilian clothes are stationed in Focsani.
